

APPLICATION NOTICE FOR A GRANT

University of Eastern Finland
Institute of Biomedicine

The Institute of Biomedicine in the Faculty of Health Sciences of the University of Eastern Finland declares open for application a grant for a research internship for the period of **1.6.2021 – 31.8.2021**.

The topic of the research will be setting up data analysis workflows for single cell genomics data and processing available datasets. Previous experience in this topic will be considered as merit when evaluating the applicants. Practical skills in programming languages R and Python are required.

Currently, the work will be carried out remotely due to COVID-19. For this reason the applicant is expected to have a suitable personal computer to carry out the work as no equipment or office space will be provided by UEF.

The amount of the grant is **1800 € per month**.

In the application please include:

- record of completed studies (university BSc/MSc level)
- CV
- motivation letter

Please send the application by 15.5.2021 to merja.heinaniemi@uef.fi and address it to:

Prof. Merja Heinäniemi
Institute of Biomedicine
University of Eastern Finland
PL 1627
70211 Kuopio
